CARRER OBJECTIVE

Aspiring Full Stack Developer with hands-on experience in Python, Web technologies, Django, REST APIs, and MySQL. Eager to apply technical skills and problem-solving abilities to build scalable, user-centric web applications while contributing to organizational growth and advancing my professional development.

WORK EXPERIENCE

DATAVALLEY Inc, Andhra Pradesh

Oct 2023 – Apr 2024

Full Stack Python Intern

- Developed responsive and user-friendly interfaces using HTML5, CSS3, and JavaScript.
- Built UI components like dashboards, course listings, and progress tracking modules
- Utilized Bootstrap for consistent UI styling and efficient development
- Collaborated in an Agile environment, contributing to full-stack development and scalable application deployment.

EDUCATION

St. Mary's Group of Institutions

2020 - 2024

B.Tech in Computer Science Engineering (Cybersecurity)

CGPA: 7.65/10

TECHNICAL SKILLS

- **Programming** : Python
- **Web Technologies** : HTML, CSS, Java Script
- **Frameworks** : React JS, Django, Bootstrap, Diasy UI
- **Database** : MySQL
- **Tools & Platforms** : Git, GitHub, Vercel, Vscode, Render
- **Common Skills** : Word, PowerPoint, AI Fundamentals, Linux

PROJECTS

LMS Platform Frontend UI — React.js, JavaScript, HTML5, CSS3

- Developed and enhanced the frontend UI ensuring responsiveness and usability.
- Implemented interactive dashboards, course listings, and progress trackers.
- Integrated APIs to display course data, student progress, and notifications.

Real-Time Weather Forecasting App — React.js, HTML, CSS, JavaScript

- Built a React.js app providing live weather updates with real-time API integration.
- Designed responsive UI for seamless desktop and mobile experience.
- Implemented React Hooks and state management for dynamic data handling

Securing Data with Blockchain and AI — HTML, CSS, JavaScript, Python, Django, MySQL

- Implemented decentralized authentication using cryptographic algorithms.
- Built dashboards and role-based access control (RBAC) for secure data access.

SOFT SKILLS

Flexibility | Time management | Adaptability | Leadership

CERTIFICATIONS

Microsoft Azure AI Fundamentals (AI-900)

Cisco Python Essentials 1

Talentio Frontend Web Developer Program

EC-Council Certified Ethical Hacker (CEH) v13

ACHIEVEMENTS

Bootcamp and Smart Hackathon on Full Stack Development

100 Days of Coding Challenge
